The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Carl Pickering Water Well Deepening Project in fiscal year 2025. The entity to receive funding for this project is located at 300 W. Davis St. Conroe, TX 77357.

The project will increase the production capacity of an existing water well to serve more residents and businesses in a growing section of Conroe, Texas. The project proposes deepening the Carl Pickering Water Well, located in northeastern Conroe. The project scope of work is to plug the existing well, drill a new 2,000 gpm well and procure a new 650 KW generator and related works to support the project. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Morgan Luttrell".
