May 8, 2024

The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Mobility and Drainage Improvements on County Line Road from FM 1484 to Nicholson Road community funding project for fiscal year 2025. The entity to receive funding for this project is located at 510 Hwy 75 North, Willix, TX 77378.

The project will provide mobility and drainage improvements to Willis-Waukegan Road from FM 1484 to Nicholson Road in Montgomery County Precinct 1. The limits are to the southernmost intersection of Nicholson Road and Willis Waukegan Road. The proposed cross section for Willis-Waukegan Road – which would be consistent across the two projects being submitted for this appropriations request – would increase the ROW up to 120 feet, have 21-foot wide drainage ditches on either side, two 12-foot travel lanes in either direction and a center turn lane.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan Luttrell
Member of Congress
