Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Polk County Commercial Driver License Training & Examination Center community funding project for fiscal year 2025. The entity to receive funding for this project is located at 101 West Church Street, Livingston, Texas 77351.

The project will create a new driver training program and opens a new examination center. This project matches local unemployed residents with high wage transportation jobs by creating a local CDL training facility and examination facility in a rural hub. The project has a Federal nexus because the benefit to U.S. truckdriver capacity. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
