May 8, 2024

The Honorable Tom Cole  
Chairman  
House Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Willis-Waukegan Road Widening community project funding in fiscal year 2025. The entity to receive funding for this project is located at 23628 Roberts Road New Caney, TX 77357.

The project will widen the existing 2-lane facility to a 5-lane facility with improved drainage, the provision of a center turn lane for easier access to residences and businesses, and additional throughput capacity to mitigate congestion and provide a passing lane for safer conditions. The proposed improvements also include adding turning capacity and signal improvements to the intersection of Willis-Waukegan Road and SH 105 to accommodate the widened roadway facility. The project funding request would include design, permitting, and right-of-way acquisition along the 4.66 mile stretch of roadway from Nicholson Road to Dusty Lane.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan Luttrell  
Member of Congress
