The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Fry Road Safety Improvements community project funding in fiscal year 2026. The entity to receive funding for this project is located at 1001 Preston Street, 9th Floor, Houston. Texas 77357.

The project will involve making intersection improvements to Fry Road at Westfield Parkway, Keith Harrow Boulevard, and West Little York Road in Houston, Harris County, Texas. Additionally, a new traffic signal system will be installed, along with approximately 1,000 linear feet of sidewalk to connect the existing area in this northwest Houston community, improving mobility, accessibility and safety for motorists, pedestrians and bicyclists. The project has a federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Morgan Luttrell". The signature is written in a cursive style with a large initial "M" and a long, sweeping underline.
