The Honorable Tom Cole  
Chairman  
House Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Oak Hollow Street Rehabilitation community project funding in fiscal year 2026. The entity to receive funding for this project is located at 300 W. Davis St. Conroe, Texas 77357.

The project will rehabilitate multiple streets in the Oak Hollow area, located in north central Conroe, in an effort to increase mobility and improve wastewater management. The scope of work includes significant upgrades to sub-surface water utility infrastructure, mill and overlay of the existing roadway surface, eliminating sidewalk gaps, updating Americas with Disabilities Act (ADA) curb ramps to the most recent standard, and other roadway improvements, which will help improve safety and increase mobility. The project has a Federal nexus because the funding provided is for purposes authorized under Title 1 of the Housing and Community Development Act of 1974, Public Law 93-383, as amended 42 U.S.C. 5301 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan Luttrell  
Member of Congress
