The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Harris County Precinct 4 Intersection Safety Improvement Project – Clay Road and Fry Road. The entity to receive funding for this project is Harris County Precinct 4 located at 3131 Eastside, 6th Floor, Houston, TX 77098.

The funding would be used to enhance safety improvements at the intersections of Clay Road and Fry Road – a crossing identified on the High Injury Network. Installing a new traffic signal system and approximately 1,000 feet of sidewalk, this project will close critical connectivity gaps, providing safer routes for all residents while improving traffic flow for motorists. These improvements will enhance quality of life for residents while advancing broader goals to improve public safety and support a more connected transportation network.

This project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Morgan Luttrell". The signature is written in a cursive style with a large initial "M".
