The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Harris County Precinct 3 Telge Road Reconstruction Project. The entity to receive funding for this project is Harris County Precinct 3 located at 1414 Wirt Road, Houston, Texas 77055.

The funding would be used to reconstruct the aged 4-lane Telge Road concrete boulevard from N. Berwick Drive to US 290. This road segment, which is within a heavy industrial area, has reached the end of its service life and requires extensive resources to continually repair and replace sections. Reconstruction will increase safety by incorporating left turn lanes, improve access to US 290 (a hurricane evacuation route), and significantly reduce hazardous conditions and road closures required to repair intermittent hazards.

This project has a federal nexus because the funding provided is consistent with purposes authorized in 23 U.S.C. 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Morgan Luttrell". The signature is stylized and cursive.
