The Honorable Tom Cole
Chairman

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Willis-Waukegan Mobility Improvements – Nicholson Road to FM 1485 community funding project for fiscal year 2026. The entity to receive funding for this project is located at 23628 Roberts Road New Caney, TX 77357.

The project will widen the existing 2-lane facility to a 5-lane facility with improved drainage, the provision of a center turn lane for easier access to residences and businesses, and additional throughput capacity to mitigate congestion and provide a passing lane for safer conditions. The proposed improvements also include adding turning capacity and signal improvements to the intersection of Willis-Waukegan Road and SH 105 to accommodate the widened roadway facility. The project funding request would include design, permitting, and right-of-way acquisition along the 7.7 mile stretch of roadway from Nicholson Road to FM 1485.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan Luttrell
Member of Congress
